

LEGACY MINISTRY

Generate *more resources* for *more Kingdom work* through Legacy Ministry.

Having a Legacy Ministry is an important part of a thriving church. But too often, churches are unaware of the huge Kingdom impact opportunity through Legacy Giving.

We offer a turnkey solution to launch a sustainable Legacy Ministry in your church, fueling ministry inside and outside of your church for years to come.

Build sustainable funding for ministry and missions.

We think *everything* we have should be used for Kingdom work.

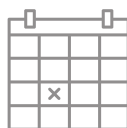

This includes our estate plan. After helping more than 1,000 families update their estate plan to reflect their faith, we've learned that most Alabama Baptists simply don't realize their estate plan can fund ministry and missions for decades to come.

How It Works
